

DRAYTON MANOR HIGH SCHOOL

YEAR 10 & 11 COURSES

Subject Religious Education
(compulsory delivered through carousel)

Course Level Ealing Agreed Syllabus for RE
Key Stage 4

Examining Body Non-examinable

What will I be studying?

Through a series of extended case studies, students will explore ethical, philosophical and religious responses to the following

1. Conflict and Justice
2. Medical Ethics (Abortion)
3. How Belief Affects Relationships
4. Issues of Equality
5. Suffering and Evil

What skills will I develop?

- An enquiring approach to the study of religion and human experience
- An understanding of how to put key concepts into religious and secular contexts
- An ability to communicate, reflect on and develop values, opinions and attitudes
- The ability to apply beliefs and values to real life situations

How will the course be structured?

The course will be delivered within a carousel system, alongside IT and CCW

Year 10

- Beliefs and Relationships
- Conflict and Justice
- Medical Ethics

Year 11

- Issues of Equality
- Suffering and Evil

How will I be assessed?

The course will be assessed internally, using existing Key Stage 4 criteria

Further information can be obtained by referring to the Ealing Agreed Syllabus for Religious Education, which is available online

There is no Controlled Assessment or Coursework for this Religious Education course

If you have any further questions about taking this course, who should you speak to?

1. Your RE Teacher
2. Head of Religious Education – Mr Burchell
