1. Statement of Intent

1.1 Introduction

This policy outlines statutory and school expectations in relation to school attendance and punctuality.

This policy should be read in conjunction with:

- Behaviour Policy
- Child Protection and Safeguarding Children Policy
- Children with Health Needs that Cannot Attend School Policy

1.2 Working Together to Improve School Attendance

This policy is written in observance with Department of Education guidance on school attendance (Working together to improve school attendance, August 2024).

'The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school. This is essential for pupils to get the most out of their school experience, including their attainment, wellbeing, and wider life chances. The pupils with the highest attainment at the end of key stage 2 and key stage 4 have higher rates of attendance over the key stage compared to those with the lowest attainment. (Department of Education, May 2022).

1.3 Aims and Objectives

Drayton Manor High School is committed to ensuring that all students receive a full-time education which maximises opportunities for each student to realise their true potential. To this end, we aim to encourage and assist all students to achieve excellent levels of attendance and punctuality. We will consistently work towards a goal of 100% attendance for all students.

The school will strive to provide a welcoming, caring environment, whereby each member of the school community feels safe and secure. All school staff will work with students and their families to ensure each student attends school regularly and punctually.

1.3.1 As a school we aim to:

Develop and maintain a whole school culture that promotes the benefits of high attendance and good time keeping for all children and groups of children

Maintain a low rate of persistent and severe absenteeism (<90% and <50% attendance)

Maintain parents' and pupils' awareness of the importance of efficient and full-time

attendance.

Help your child attain their full potential academically and socially

1.3.2 Good attendance is important because:

Statistics show a direct link between under-achievement and poor attendance

Regular attenders make better progress, both socially and academically

Regular attenders find school routines, schoolwork, and friendships easier to cope with

Regular attenders find learning more satisfying.

Regular attendance encourages responsible learning habits and prepares children for higher education and for their working life.

2. The Law

Regular attendance is defined to be in accordance with the rules prescribed by the school.

Good attendance means coming to school regularly, on time and arriving prepared to learn.

Supreme Court Ruling April 2017

Regular attendance is attendance at school on each day the school is open for the pupils unless there is an 'authorisable' reason to be absent; (registration regulations 2006 (amended). Section 444 of the education act 1996). "If a child of compulsory school age who is a registered pupil at a school fails to attend regularly at the school, his/her parent is guilty of an offence." A pupil's unauthorised absence is an offence for the parent. {For educational purposes the term parent is used to include those that have parental responsibility and/or those that have the day to day care of the child).

Parents have a legal duty to ensure efficient and full-time attendance at school if registered pupils of statutory school age {Education Act 1996}. This is the legal requirement. The Local Authority School Attendance Service aims to work with schools and families and other partnership agencies to promote good attendance and avoid legal action. However, in some cases, parents are prosecuted (taken to court) or are given a Fixed Penalty Notice {fine}.

The Department for Education {DfE} expects the school, local authority, and parents to work **together to improve attendance**. The Summary table in the link below should be read alongside the Working together to improve school attendance guidance. This guidance is statutory, and schools, trusts, governing bodies, and local authorities must have regard to it as part of their efforts to maintain high levels of school attendance: [Summary table of responsibilities for school attendance \(applies from 19 August 2024\) \(publishing.service.gov.uk\)](https://publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/123456/summary-table-responsibilities-for-school-attendance.pdf)

3. Registration

Formal registration takes place daily at 8.55am and at 13:30pm for years 7, 8 and 9 and at 2.30pm for year 10,11 and sixth form. Students arriving after 10:30am without a valid reason will be marked as a U code (Unauthorised Absence). In addition, registers must be marked in all lessons. Registers will be marked promptly at these times.

Students arriving after the start of registration but before the registers have closed will be marked as late for that session.

4. Absences

Any registration sessions missed are classified as absence. This absence will be classified as either authorised or unauthorised.

ATTENDANCE and ABSENCE CODES (DfE, 2024) can be found here: [Department for Education Guidance 2024](#)

4.1 Authorised Absence

Some absences are allowed by law and are known as "authorised absences". That is when the school accept the reason given for absence.

Absence should only happen when:

- A. Your child is significantly/symptomatically ill and therefore unfit to attend school. There should be an observable symptom/s; 'feeling unwell' is not enough. We may ask for medical verification where absence claimed as illness is frequent, prolonged or where there are absences immediately before or after a school holiday.
- B. If there is an unavoidable/unforeseen reason or circumstance which is causing a difficulty, the school will ask for evidence
- C. If your child has a documented medical condition that hinders regular attendance, please let us know; the school will ask for evidence in such cases.

We realise that there are rare and unavoidable occasions when there might be a particular problem that causes your child to be absent, such as sudden bereavement, unexpected parental illness, or a family crisis. If this happens, please let the attendance team know, and we shall try to deal with the matter sympathetically and follow our safeguarding procedures.

Following such incidents, parents are expected to make any necessary arrangements for their child to return to school as soon as possible (ideally the next day). If the absence is likely to be prolonged, parents must write to the attendance team outlining the reasons.

When illness is claimed for absence, the school will ask for evidence other than a parent's word to allow for further authorisation of absences. Absence due to illness must be reported through My Ed or studentabsence@draytonmanorhighschool.co.uk to the attendance team for each day of absence. Follow up calls and investigations will be made if no contact is made with the attendance team.

4.2 Unauthorised absence

Unauthorised absence is when no satisfactory explanation is received by the school. Absence will not be authorised for such reasons as holidays, shopping, daytrips, and birthdays and please note that this is not an exhaustive list. Unauthorised absences are reported to the Local Authority. The School Attendance Service may contact a parent when unauthorised absence continues to be a problem. Drayton Manor High School will work in partnership with parents until matters improve.

If there are patterns of absence (including truancy), the Head (or deputy) of Year will contact parents and arrange to meet them to discuss the school's concerns and to work with the parents/guardians and student to improve their attendance to school and lessons. If there is a safeguarding concern in some cases a home visit will be conducted. In more serious cases, the SLT

for Attendance will be involved as will Ealing Council's Education Welfare officer.

Any unauthorised absence will result in a Fixed Penalty Notice or other legal action. Sanctions for continued, unauthorised absence include warnings, penalty notices (fines) or other legal action.

From August 2024, the fine for school absences across the country will be £80 if paid within 21 days, or £160 if paid within 28 days. See [Working together to improve school attendance \(applies from 19 August 2024\) \(publishing.service.gov.uk\)](#) (Pg.56 National framework for penalty notices).

4.3 Term Time Leave of Absence

Amendments to the 2006 School Attendance Regulations make it clear that a Headteacher may not grant any leave of absence during term time for holidays. Leave of absence is only granted in exceptional circumstances (e.g., if there is an emergency) at the discretion of the Headteacher and in accordance with the school policy as agreed by the governing body. There is no entitlement to time off during term time.

Only in an exceptional circumstance will term time leave be considered. All leave is granted at the Headteacher's decision. Parents wishing to apply for leave of absence need to complete an application form well in advance and before booking tickets or making travel arrangements. Parents sometimes confuse 'telling' the school as being good enough; this is not so.

If a child goes abroad during a school holiday period, the parent must make definite arrangements so that they return in good time for school re-opening. Absence claimed as illness before or after a school holiday must be reported during the period of absence and medical evidence produced on return to school. Otherwise, the absence will be regarded as unauthorised holiday leave.

If you experience unexpected delays in returning from a trip abroad or within the UK, for whatever reason, the school will require documentary evidence accompanied with proof of original return dates i.e., tickets or an official travel plan showing intent to return on time. Medical documentation should be in English. In certain circumstances, if a child remains abroad at the beginning of a school term and absence is extended, their school place may be at risk.

If term time leave is taken without prior permission from the school, the absence will be unauthorised, and you will be liable for a Fixed-Penalty Notice. Where a child's whereabouts cannot be established, he/she may be regarded as a 'Child Missing Education' and their place on the school roll cannot be guaranteed.

Except for leave taken in an emergency, retrospective approval cannot be given without an application having been made. Satisfactory evidence of an emergency will need to be provided.

A Penalty Notice may be issued to each parent in respect to each of their children in line with the local authority Fines protocol.

4.4 My Ed Reporting Absence Reporting Procedure

Day one of absence

- Parents and carers are required to contact the school before 9:10am on each day of absence for a student using the My Ed app
- A text is made to parents and carers of students who are absent with no known reason. SIMS is updated by the Pastoral Support Administrator (Attendance)
- It is expected that these texts are responded to as soon as possible in order to ensure the safety of students
- The Pastoral Support Administrator (Attendance) will telephone the parent/carer of all absent LAC/vulnerable students before 11:00am. If no message is received before then and no contact can be made with any other appropriate contact from our school records, the DSL/DDSL
- Pastoral Manager will contact the attached social worker where contact cannot be made and where appropriate
- Records of phone calls to parents/carers/external agencies are kept and reported to the Education Welfare Service when appropriate

Day two of absence

- Parents and carers are required to contact the school before 9:10am on each day of absence for a student using the My Ed app
- A text is made to parents and carers of students who are absent with no known reason. SIMS is updated by the Pastoral Support Administrator (Attendance)
- If no message is received before 8:40am for absent LAC/vulnerable students and no contact can be made with any other appropriate contact from our records, the DSL/DDSL will be informed
- The Lead Pastoral Support Administrator will contact the attached social worker where contact cannot be made and where appropriate

Day three of absence

- If no contact or authorisation for absence has been received, The Pastoral Support Administrator (Attendance) will contact the SLT link (Attendance). Appropriate action is then taken by the Pastoral Support Administrator (Attendance) This may include referral to the Ealing Attendance Officer, referral to children's services, letter sent home or, for vulnerable students/persistent attendance concerns, a visit by a Safer Schools Police Officer
- Where attendance is a persistent issue, the Ealing Attendance Officer will be notified. The 'Children Missing Education Team' must be informed of unexplained prolonged absences, after every effort has been made to identify the location and well-being of a child.

Year 7 to 11 students leaving school before 3.30pm must record their name with Student Reception before leaving school and must submit a note signed by their Head of Year. Parents must contact school 24 hours in advance with evidence, students are not allowed off site without parental confirmation.

5. Punctuality

5.1 Parents remain responsible for their child's punctuality.

Good punctuality is a prerequisite to good learning and shows a respect between pupil, family, and school.

Parents remain responsible for their child's punctuality at the start of the school day and for each lesson throughout the school day. Arriving late to school on a consistent basis will have longer-term academic effects. Late arrivals are disruptive to the school community and for the child. If showing up late to school becomes a habit, children may develop the notion that lateness is acceptable behaviour. This belief can negatively impact their future work ethic and employment opportunities.

5.2 Procedure for lateness to school

Students must have passed through the school gate before 8:53 am. Students must report to their form room before 8:55 am.

Students who arrive at school between 8.55am and 9.10am must sign in at the School Dining Hall and will be registered as late.

If students arrive after 9.10am they must report to Student Reception, entering their time of arrival and the reason for their lateness in the Signing in Book. Students who arrive at school late will not be admitted to lessons until they have signed in at Student Reception. This is important for health and safety reasons.

Students who arrive late to school without an acceptable reason which has been reported to the school by the child's parent will be sanctioned according to the school behaviour policy.

Any student who arrives to school after 10.30am without an authorised reason for absence will be marked with an unauthorised absence; impacting on the students' attendance record.

Year 7 to 11 students leaving school before 3.30pm must record their name with Student Reception before leaving school and must submit a note signed by their Head of Year. Sixth Form students only need to do this if they will miss lessons or registration.

All lateness is recorded daily. The number of minutes late and the reason for lateness, if known, will also be recorded. This information is discussed at regular meetings with the local authority Attendance Officer and can be made available to the courts in the form of a report should a prosecution be the outcome of repeated lateness.

6. Support Systems

Where there are persistent concerns regarding a student's attendance, all strategies should be explored and the following support agencies/services can be utilised

- Inclusion support
- Behavioural support
- Connexions/Careers Department
- Homework Clubs
- Multi -Agency Meetings
- Safer Schools Police Officer
- SAFE Adolescent Services
- Reintegration support packages
- Attendance contracts
- Regular meetings with the parents of pupils who the school (and/or local authority) consider to be vulnerable or are persistently or severely absent, to discuss attendance and engagement in school.

Early Help Assessment Plan (EHAP) and Team Around the Family/Child (TAF/TAC) take place regularly with the Attendance Pastoral Support Worker, Heads of Year and the support team to implement the appropriate support for the student. The support may be long term or short term. If attendance continues to be a cause for concern, matters will be referred to the Ealing Attendance Welfare Officer for consideration.

Children who are unable to attend school due to ongoing health needs will be supported by the school and Ealing Local Authority. The attendance and punctuality policy should be read in conjunction with the 'Children with Health needs that cannot attend school'.

6.2 Persistent absence and severe absence

Once a child's attendance falls to 90% for whatever reason, he/she is automatically defined by the Department for Education (DfE) irrespective of the reason for absence as a Persistent Absentee. Once a child's attendance falls below 50%, they are termed Severely Absent. Both scenarios present a severe problem for pupils. Much of the work they miss when they are off school is never made up, these gaps in their learning leave children at a considerable disadvantage for the remainder of their school career. Statistics show a direct link between poor attendance and under-achievement, particularly at GCSE.

Such low attendance is well below our expectations and as such, the school will work in partnership with the parent, the Local Authority, and other external partners to support parents to improve matters. In such cases, parents will be offered an Early Help Assessment and might be invited to agree a Parenting Attendance Contract with the school or the Local Authority as a way of managing improvement.

Unauthorised absences are reported to the Local Authority (this includes absence due to significant lateness). The School Attendance Service may contact you where unauthorised absence continues to be a problem. The school will then work in partnership with you until matters improve.

Unauthorised absence could result in a Fixed Penalty Notice or other legal action. Sanctions for continued, unauthorised absence include warnings, penalty notices (fines) prosecution in the

magistrate's court or an education supervision order through the family proceedings court

Payment of the penalty discharges liability for the offence. It is an alternative to prosecution. There are 2 levels of penalty notice - £80 (if paid within 21 days of issue), and £160 (if paid later than 21 days but within 28 days). Failure to pay will result in prosecution in magistrate's court for irregular attendance, where, on conviction a fine of up to £1000 may be imposed as well as a record of criminal conviction.

7. Responsibilities and roles

Role	Responsibility
7.1 Parents	<p>Parents are legally responsible for ensuring their child's regular and punctual attendance to school in correct uniform and in a fit condition to learn. Parents are also responsible for ensuring that their children stay at school and attend each lesson once they have registered.</p> <p>Parents may not authorise a child's absence. Only the school can do this on the basis of the explanation provided by the parents. Should parents fail to provide a satisfactory reason for their child's absence the school will record such absence as unauthorised.</p> <p>Parents can expect the school to keep them fully informed of any attendance and punctuality issues and they can do a great deal to support the regular and punctual attendance of their children.</p> <p>They should</p> <ul style="list-style-type: none"> • take an active interest in their child's school life and work • attend Parents' Evenings and other school events • ensure homework is completed • ensure children go to bed at an appropriate time • be aware of letters from school which their child brings home in addition to emails sent by the school • ensure that their child arrives at school on time each day • ensure that their child only misses school for reasons authorised by the school • notify the school through My Ed on the first morning of any unexpected absence no later than 8:40am • confirm absences in writing, in addition to any supporting evidence when the child returns to school • talk to the school if they are concerned that their child may be reluctant to attend for any reason • not book holidays during term time • book medical appointments to take place after school or at weekends or school holidays. • Making sure we always have your current contact numbers; this includes all tele hone numbers, email addresses and emer enc contact details
7.2 The School	<p>The School will make attendance and punctuality a priority for all those associated with the school including students, parents, teachers and governors by</p> <ul style="list-style-type: none"> • implementing a framework which defines agreed roles and responsibilities and promotes consistency in carrying out designated tasks • implementing a systematic approach to gathering and analysing attendance related data • supporting the maximum possible development of individual students' talents and potential by enabling students to see the value of high attendance rates

8. Rewards

The school will use rewarding and celebrating to incentivise and establish a positive culture around high attendance and excellent punctuality. To do this, the school will:

- Each Tutor group will participate in the 'Challenge 96' programme
- Assemblies and the tutor programme will track and celebrate tutor groups with high attendance and students with exceptional attendance and punctuality
- Students with attendance streaks of full attendance will receive certificates and attendance badges
- End of term achievement assemblies will celebrate students high attendance
- The parent, staff and student bulletins will celebrate student attendance and punctuality
- Improvements in attendance and punctuality will be shared with parents in written communications and meetings

9. Elective Home Education

Elective Home Education is a major commitment of a parent's and carer's time, energy and money.

It is especially important that the nature of the education they intend to provide is carefully considered. In addition, parents and carers should decide whether home education is in the child's overall best interests, including social development and future opportunities.

Parents should also consider the impact of this on the family dynamic, daily routines including employment and the longevity of such arrangements and their conduciveness to a student in the longer term, for example if this arrangement were not to continue, would a student be able to access a place in a mainstream setting and what would the impact be on their learning and ability to reintegrate.

Parents must follow the procedure of informing admissions and the Local Authority Children Missing In Education forms to establish elective home education.

Elective Home Education is not the only alternative to school attendance. In any circumstances where a student cannot attend school, the Ealing Local Authority should be offering alternative provision to reduce the likelihood that the student will end up without suitable education. Notwithstanding that, there are reasons why parents may choose to educate their children at home.

The school is obliged to inform Ealing Local Authority of any students removed from its admission register and will give home education as the reason, when notified of this by the parent. It is important for parents to inform the school as soon as they have taken this decision thus allowing access to advice and support for the student and parent. Any external professional working with the family will be informed of the parent's decision. In addition, the school will request a meeting with the parents to discuss their decision. Following this meeting, the parent will be required to confirm their decision in a letter to the Head.

Pupils with EHCPs

All pupils with an EHCP who are being withdrawn to be Home Educated, must have the approval of the Ealing SEND team.

10. Sixth Form

The same policy broadly applies to Sixth Form students, however the Law outlined in point 2 does not refer to this age group. The following variations apply to Sixth Form students at Drayton Manor High School.

- Students must wear ID cards at all times. If there are any circumstances which mean this is not possible then the student must loan a temporary lanyard from Main Reception
- Not all sixth form students have lessons at 2:30pm, therefore they will be marked as present during the PM session if they are present in school (periods 3, 4, 5, or 6)
- If a student does not have a lesson after 12:30pm they will be marked as X
- Students that are not on supervised study and whom have permission from their parents/guardians are allowed to leave site at 12:30pm if they are not required in school for lesson or other activities
- Any student wishing to attend activities such as open days, interview or work experience opportunities must fill in an absence request form which is signed by their parents, teachers and their Head of Year. Once approved, this will be marked as an authorised absence.

11. Leavers

If you are leaving the area or changing schools, please complete a Leaver's Form (available from Admissions).

Parents must provide the following information:

- The student's new address if they are moving.
- The details of the parent they will be living with, or of the appropriate adult who will be caring for them if they will not be living with a parent.
- Details of the school they will attend if already established, or confirmation of school applications if not yet determined.
- Travel documents if the student is moving outside of the UK.

Schools and the local authority are obliged to track students from school to school, even if you are leaving to live abroad.

Follow-up enquiries on inadequate information can be intrusive. As well as calls, enquiries include unannounced visits to your given address, reports to Child Missing from Education, and referrals to Social Services and the Police.

When a student leaves and we do not have information about where they have gone/will be educated, then they are a 'Child Missing Education'. This means that the Local Authority has a legal duty to carry out investigations, which will include liaising with Ealing Children's Integrated Response Service (formerly Social Services), the Police, benefits/council tax records and other agencies, to try to locate your child. By giving us the above information, these investigations can be avoided.

Parents who remain resident locally can only withdraw their children from school if they have a confirmed start date at another school or are undertaking to educate the child at home (Elective Home Education). If the latter, this must be confirmed in writing to the school by the parent. Pupils remain registered at school until such conditions are satisfied.

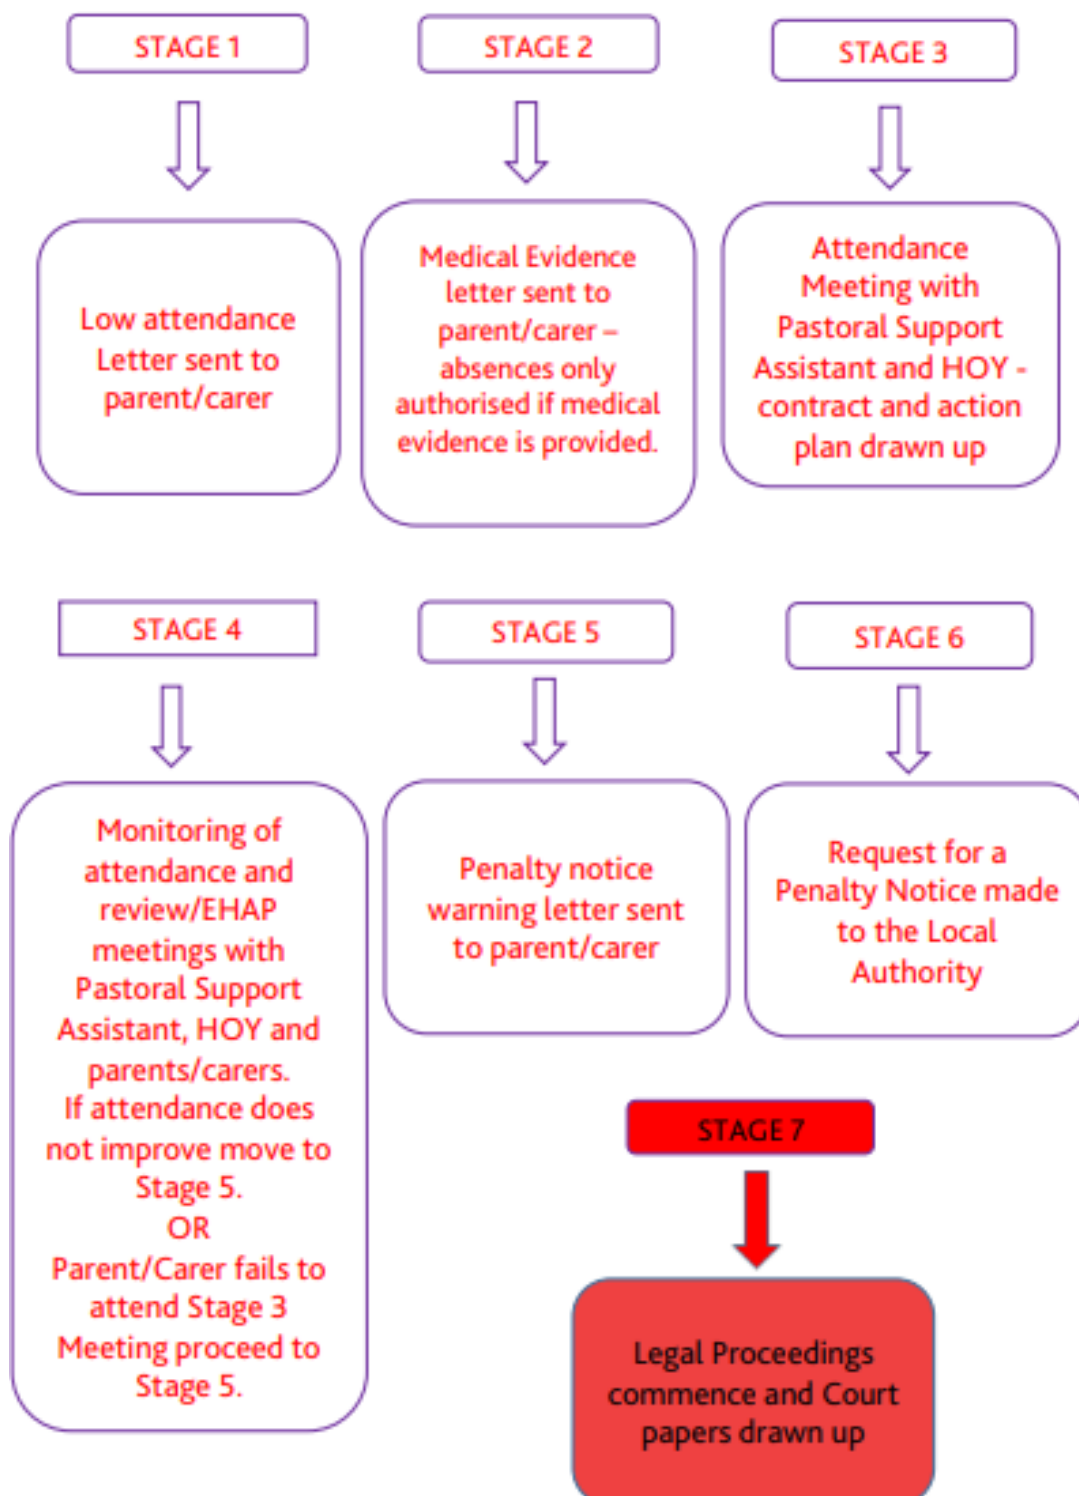

For children leaving school with an Education Health and Care Plan (EHCP), the school will notify the Ealing SEND team.

Next steps

The possible legal consequences of poor attendance/punctuality have been explained.

We will do what we have agreed in this attendance contract and will work together to support the above-named child to attend school regularly and punctually.

As parent/carers, we understand that if attendance does not improve, our child may be referred to the Local Authority Attendance Service. This contract and outcomes may be presented as evidence, and we may be liable to a Fixed Penalty Fine or other legal action.
