5. HELPING US RETURN LOST PROPERTY QUICKLY – LABELLING UNIFORM AND PROPERTY

As a large school, students move around the site throughout the day, and it is understandable that from time-to-time items such as jackets, PE kits, bags and other belongings may be misplaced.

To help us reunite students with their lost property as quickly as possible, we kindly ask all parents and carers to ensure that all uniform items, PE kit and bags are clearly labelled with your child's first and surname. Clear labelling makes a significant difference and enables staff and students to identify ownership quickly. We will also be reminding students of the importance of labelling their belongings through Tutor Time and assemblies. As part of our community support programme, our Sixth Form students carry out a range of duties across the school day and do an excellent job supporting younger students. They are always happy to help reunite students with lost property, and clearly labelled items play a vital role in making this possible. Thank you in advance for your support with this.

6. SHARING COMMUNITY SUCCESS

We love to hear what our Draytonians are up to outside of school and their successes. If you have any stories you would like us to consider for the upcoming newsletter, please let us know. This could be sporting/musical/volunteering or special work in the community. Please contact Mr. Mistry at the school.

7. CYCLING TO SCHOOL REMINDER

Students who cycle to school must do so safely and responsibly by following the Highway Code and ensuring their bicycles are well maintained. We expect students to wear a helmet and they should be using lights when visibility is poor. Students should lock their bicycles in the designated storage area on the Dryden Avenue playground. For safety reasons, students must dismount at the school gates and walk their bicycles onto the site. Cycling is not permitted anywhere on school premises, including the car park.

Please click here to view and complete the Cycling Code of Conduct. Thank you for your support in helping us keep all students safe.

11. HOMEWORK

Homework plays an important role in reinforcing learning, securing knowledge and helping students develop independence, organisation and effective study habits.
All homework is set through Satchel One and students are expected to record homework tasks and deadlines in their school diary. To help students manage their workload, the school operates a dedicated homework timetable, with homework typically set on specific days for each subject and issued with a one-week completion window. Parents and carers can support their child's learning by regularly checking Satchel One for homework tasks, deadlines and feedback. Guidance on accessing and using Satchel One can be found via the Satchel One Parents & Carers Help Centre found HERE. The 2026-27 Homework Timetable is available via the homework section of the school website and can also be accessed using the link HERE.

12. WEEKLY PLANNER CHECK

Please remember to review and sign your child's planner/diary each week. The planner helps students record homework, stay organised, and share important school information. Your regular check and signature provide valuable support and help us work together to ensure your child is successful in school. Thank you for your continued support.

Ealing Council will contact the school directly informing us of a list for students who are eligible and we will update our records. Once we update SIMS it takes around 24 hours to sync to Parent Pay and our catering system. If after 24 hours it has not changed, Parents/Carers should send the school a letter of confirmation they received which we will use to contact Ealing Council directly.

15. HEALTHY START VOUCHERS – TOP UPS AVAILABLE AT SAINSBURYS

Sainsbury's will top-up NHS Healthy Start scheme with £3 per week in the run up to Christmas.
