

DRAYTON MANOR HIGH SCHOOL

E-SAFETY RULES AND STUDENT ACCEPTABLE USE AGREEMENT

I agree that I will

- only use school ICT systems, including the internet, email, digital video, mobile technologies for school purposes
- not give my email address to anyone unless I know them or want them to contact me
- not give out any personal information such as name, phone number or address
- not download or install software on school technologies
- not use the school resources to play games (either online or downloaded) other than those directed by a teacher
- ensure that external storage devices used in school, including USBs, only contain files appropriate for school use
- only log on to the school network with my own user name and password
- not reveal my passwords to anyone and change them regularly
- make sure that all ICT communication with others is responsible and sensible
- not browse, download, upload or forward material that could be considered offensive or illegal. If I accidentally come across any such material I will report it immediately to my teacher
- not arrange to meet someone unless this is part of a school project approved by my teacher and/or parent
- ensure that my online activity, both in school and outside school, will not cause distress to others
- respect the privacy of others' work on-line
- not attempt to bypass school ICT security systems

I understand that

- all my use of the Internet and other related technologies will be monitored and logged
- these rules are designed to keep me safe and that if they are not followed, school sanctions will be applied
