

Values and Ethos

Our Values at a glance...

We strive to develop personally rounded and highly skilled and knowledgeable citizens, contributing in all ways, and especially as role models within their communities and on the world stage.

Ambition	Aspire to be the best version of ourselves
Character	Hardships do not deter us. We build resilience to overcome adversity. 'Nec Aspere Terrent'
Civic Virtue	Do good for others for no personal gain. Our actions help to build a better world.
