

## DRAYTON MANOR HIGH SCHOOL

### HOME – SCHOOL AGREEMENT Annex

DRAYTON MANOR HIGH SCHOOL seeks to provide the highest possible standard of education for all its students and to promote the maximum possible development of individual students' talents and potential within a tolerant and caring community. This annex seeks to act as an interim agreement whilst Drayton Manor High School manages the Covid-19 pandemic and the social distancing measures that have to be put in place alongside other government guidelines advised by Public Health England.

The school's aims for its students are: -

- an education based on the highest expectations
- a safe, secure, well-disciplined and stimulating working environment
- a broad, balanced and relevant education
- the highest standard of teaching, personal support and guidance

We also see as central to the school ethos the partnership that exists between the school, parents and students. We see this partnership as a contract between parents, students and the school. We feel that it is instrumental in ensuring that students commit themselves wholeheartedly to the hard work that will ensure they are successful at Drayton Manor.

### REWARDS

- The school will produce a weekly rewards bulletin on a weekly basis and in addition will reward students for continued excellence.

### SANCTIONS

- Student behaviour and conduct in school and in the local community is of paramount importance if the school is going to be successful in both educating students and keeping them safe. Please read the Behaviour Policy (COVID-19 Annex) for a detailed overview of our expectations.

## COMPLAINTS PROCEDURE

Parental concerns about the school or the curriculum will be responded to and handled sensitively. Initial concerns or enquiries will be dealt with at an informal level whenever possible. In most cases issues can be resolved with an individual member of staff.

The Procedure for Complaints Against the School is available on the school's website.

### PARENTS

At Drayton Manor we believe in involving parents fully in the education of their child. We recognise the great benefit to a student's progress that comes from the active support and involvement of parents. Parents can support their child and the school in the ways given below.

As a parent of a student at Drayton Manor I agree to

- support the school with its implantation of all school policies
- encourage my child to show respect for all staff and other students at the school
- encourage my child to behave responsibly at school and in other situations where the child is identified as a student of the school
- support with their attendance and punctuality and keep the school informed about any reason for absence
- promote the continuity of my child's education by not taking family holidays during term time
- ensure, to the best of my ability, that my child has all the equipment and books necessary for the school activities of the day
- be aware of uniform regulations and ensure that my child is correctly dressed
- help promote respect and care for school property and that of others and be prepared to pay for or replace items in circumstances where my child has wilfully damaged or lost property

I have read and support the principles of working together.
