

## DRAYTON MANOR HIGH SCHOOL

### KEY DATES IN THE APPLICATION PROCESS

All students currently in Year 6 should have received a copy of a leaflet from their primary schools which outlines how to apply for a high school place in Ealing.

There is a common Local Authority Application form which you must complete for all of your choices – there is no separate application form for Drayton Manor.

You can apply either online or submit a paper application. It is recommended that if possible you make an online application as explained in the High School Admissions leaflet.

The recommended submission date for paper applications is **22 October 2021**.

The final closing date for online and paper application is **31 October 2021**. Any applications received after this date are treated as late.

You will hear the outcome of your application from the Local Authority on or around **1 March 2022**.

If you have applied online, you will be sent an email that evening confirming the outcome of your application. If you applied by post, you will receive the outcome by post. This could arrive two or three days later depending on the post in your area.
