

# Recommended Reading for Art & Photography

## **The Story of Art Without Men by Katy Hessel**

Have your sense of art history overturned, and your eyes opened to many art forms often overlooked or dismissed. From the Cornish coast to Manhattan, Nigeria to Japan, this is the story of art for our times - one with women at its heart, brought together for the first time by the creator of @thegreatwomenartists.

## **frieze A to Z of Contemporary Art**

This book charts the dynamic, changing landscape of the contemporary art and culture of the past quarter century. Drawing on frieze magazine's exceptional back catalogue of articles, this book brings together a curated collection of over fifty engaging highlights. It features artist interviews; essays on subjects as varied as museums, photography, pre-historic art and television.

## **Ways of Seeing by John Berger**

Based on the BBC television series, John Berger's Ways of Seeing is a unique look at the way we view art, published as part of the Penguin on Design series in Penguin Modern Classics.

'Seeing comes before words. The child looks and recognizes before it can speak.'

## How Art Works – The Concepts Visually Explained

If you've ever found yourself seeking the answers to the above questions and more, then this may be the book for you! An art book like no other, *How Art Works* uses practical graphics to demonstrate the techniques, styles, materials, and concepts that lie behind great art. It shows you how to interpret paintings, drawings, and sculptures, and reveals how art is made, laying out the key techniques and materials in visual detail. It also explains the nuts and bolts of the technical aspects behind art, such as perspective and composition, and shows how to identify major artistic styles and movements.

## The Story of Art by EH Gombrich

The Story of Art, one of the most famous and popular books on art ever written, has been a world bestseller for over four decades. Attracted by the simplicity and clarity of his writing, readers of all ages and backgrounds have found in Professor Gombrich a true master, and one who combines knowledge and wisdom with a unique gift for communicating his deep love of the subject.

## The Art Book

The Second Edition of *The Art Book* is a substantially expanded and updated version of the hugely successful original. Introducing 100 new artists selected from all periods and from across the globe, the new edition includes for the first-time leading figures from the fields of photography and performance art. Works and text entries for a selection of artists from the original have also been updated.

### **Black Art: A Cultural History by Richard J. Powell**

A ground-breaking book that explores the visual representations of black culture across the globe throughout the twentieth century and into the twenty-first.

### **Susan Sontag On Photography**

Photographs are everywhere. From high art to family albums to legal evidence, they capture and document the world around us. And whether we use them to expose, reveal or remember, they hold an enduring power.

In this essential and revelatory volume, Susan Sontag confronts important questions surrounding the power dynamics between photographer and subject, the blurred boundary between lived events and recreated images, and the desires that lead us to record our lives.
