MODERN FOREIGN LANGUAGES BREAKFAST

Monday 23 November

In October, French, Spanish and Latin A Level students were treated to an international breakfast to welcome our new Foreign Language Assistants, Alba, Marie and Nina. Students chatted among themselves and got to know our new assistants, in their foreign languages, while they enjoyed a croissant, churros con chocolate and a coffee or hot chocolate.

One student described the event.

"The Modern Foreign Language breakfast was an awesome treat and I'm already looking forward to the next one! Not only was the food delicious but it was a great opportunity to get to know Alba, our new Spanish language assistant, and practice my Spanish at the same time!"
