

DRAYTON MANOR HIGH SCHOOL

SHOW MY HOMEWORK INFORMATION

We use an online platform called Show My Homework to set homework for students. This helps students and parents keep track of homework. We recognise that parents play an invaluable role in supporting students to complete their homework and Show My Homework provides transparency to make this process easier.

You will be provided with login details to your personal account, ready-linked to your child's homework calendar. These login details will be emailed home or given to students once they have a copy of their timetable and the students will be expected to pass this information on to parents. If you do not receive this information after the first week of your child being at the school, please contact us and we will provide it to you directly.

On the school website (<http://www.draytonmanorhighschool.co.uk/Show-My-Homework-1>) it is possible to

- Access the login page
- View all homework set without login details by clicking on 'Calendar'
- Watch a video tutorial on how to get started
- Access Show My Homework's Parent Pack
- View the status of the Show My Homework website to see if the website is functioning normally. If there are any problems with the website, it will be reported here

There is an IOS and Android Show My Homework App for parents which allows for easy access if you are on the move. You can also set up notifications which can provide instant updates about deadlines and homework set.

If you or your child have any questions about the service, please do not hesitate to get in touch with the team at Show My Homework, who are always happy to help. Just email help@showmyhomework.co.uk or call 0207 197 9550. If you'd like to get in touch with the school, please contact us on 0208 3571900 or email adminoffice@draytonmanorhighschool.co.uk
