

DRAYTON MANOR HIGH SCHOOL

SUMMER SCHOOL

23-26 August 2021

Summer School took place for the first time this year since 2018. Government funding was reinstated to support students with the transition from primary school to secondary school. All students with a place at Drayton Manor was offered the opportunity to attend the summer school.

Number of students in attendance	132 (56 % of the Year 7 cohort)
----------------------------------	---------------------------------

Students had the opportunity to engage in a number of activities over the four days (schedule attached) We watched students grow in confidence, build friendships, receive awards, set targets, learn about themselves, embrace our school ethos and values and start growing into Draytonians.

At the end of the Summer School we offered both students and parents the opportunity to give us feedback on what went well, anything further we can offer to support and additional opportunities we could offer the Summer School cohort in 2022/23.

STUDENT FEEDBACK

QUESTION
