

Study Top Tips

KS5

- Ask them to explain how different media products link to theory
- Motivate them to practice timed writing
- Encourage wider viewing and reading (e.g. articles on media ownership, YouTube breakdowns of genre conventions).
- Discuss social, historical and political context of set text
- Support time management for coursework- it involves planning, drafts, and reflection.
- Remind them that watching media texts critically (not passively) helps improve analysis.
- Ask them about key theorists and debates - it reinforces AO1, AO2 and AO3.
