

Skills Check List (For students to R.A.G. rate)

Red – emerging = I know some factual details about this topic, but without my book, this would be very challenging to recall and apply in my assessment.

Amber – developing = I am quite confident that I know about some of the factual details, but I would still need to use my book to double check statistics and wider knowledge to apply in my assessment.

Green – secure = I am confident and secure about this. I don't need to refer to any notes. The grasp of the knowledge is excellent as I can refer to factual details with ease and apply these in my assessment.
