 4:15pm

U13 Cricket v William Perkin
 Thursday 26 May
 4.15pm

U15 Cricket v Dormers Wells
 Wednesday 25 May
 4.15pm

KEEPING STUDENTS SAFE

The school is aware of some recent reports concerning student safety in the community with people being targeted for valuables. To help keep our students safe, we have reminded them of the importance of proceeding immediately home at the end of each school day and of the following:

In particular, students
 Should

- Proceed directly to school in the morning
- Proceed immediately home at the end of each day
- Keep mobile phones and valuables out of sight
- Walk home with friends where possible

Should NOT

- Associate with any outsiders or individuals from other schools
- Invite individuals from other schools to meet them after school
- Go to the shops

DRIVING PATROLS

Senior Staff undertake supervision on foot in the local community at the start and end of the day, but we have also begun driving patrols which will allow us to monitor a much wider area as our students head home. These driving patrols will continue over the coming weeks to help our students stay safe.

READING ACTIVITIES

Reading is fun and helps students improve their literacy. Parents can encourage their child to join our new book club in the library every day, from Monday to Friday, at 11:15 am. Members of the book club will read a range of books.

ATHLETICS CLUB

Athletics Club will take place on Thursdays this term from 4pm until 5:15pm at Perivale track. There will be coach transport from school to the track and students who wish to attend should collect a permission letter from the PE Faculty. Students will be dismissed directly from Perivale Track. No student will be allowed onto the coach without parental permission.

Selection for the Wilkinson Sword teams will take place this week and next week at Athletics Club. Any student who wishes to be considered for selection should attend club.

ROUNDERS CLUB

Rounders club will take place every Tuesday. Girls from Year 7 - 11 are welcome. The club will take place at the school field from 3.50 - 5pm. Students must have permission from a parent to attend the club. Students will be dismissed from the school field. They can change at the field at the start of the session and will be able to leave in their kit.

There will be rounders matches and tournaments against other Ealing schools throughout the summer term. Please come along and join in!

SHORT STORY REVIEWING COMPETITION

Students will have the opportunity to share their opinions on what they read and win prizes for doing so!

Each week, students will be invited to take part in a short story reviewing competition. They can access the short story using SMHW and use the associated link to write a review. Students with the best written reviews will be placed in a prize draw with the winners being announced in assembly.
