Thursday 26 May

4.15pm

CAN YOU HELP?

We are currently looking for donations of uniform and PE kit so that we can support our families. Any clean uniform donations which are in good order would be greatly appreciated. Please drop them at reception or arrange for your child to drop them at student reception. Thank you in advance!

STUDENT SAFETY

We would like to thank carers and parents for their continued support in communicating important messages to ensure students' safety in the community. The Senior Team will continue with additional supervision, including the use of driving patrols. A reminder that students

Should

- Proceed directly to school in the morning
- Proceed immediately home at the end of each day
- Keep valuables out of sight
- Walk home with friends where possible

Should NOT

- Associate with any outsiders or individuals from other schools
- Invite individuals from other schools to meet them after school
- Go to the shops

WWI BATTLEFIELD HISTORY TOUR PARENTAL ENGAGEMENT EVENING

A group of Year 9 and Year 12 students will go to Belgium and France for the tour from 1-3 July. Parents are invited to attend a pre-trip briefing in the Hall on Tuesday 24 May. There will be an opportunity to meet the teaching staff attending the trip, for staff to relay critical information in relation to the trip and for parents to ask any questions they may have.

LEAVERS' CELEBRATIONS AND ASSEMBLY

Year 11

On Thursday 26 May, Year 11 students will take their Science exams in the morning and attend their normal lessons after they have finished exams. At 2:30pm, students will join an afternoon tea in the Dining Hall with their tutors, followed by an assembly in the Hall. Students will be dismissed between 4pm and 4:30pm.

Year 13

The farewell celebration for Year 13 leavers will be held on 27 May 2022 at 11:30am in the Dining Hall, followed by an assembly in the Hall. Students will leave school after 1:15pm.

YEAR 10 MEDICAL ACTIVITY DAYS (KINGS COLLEGE)

As a part of supporting students in Year 10 aspiring for Medicine, Kings College London will be facilitating a series of presentations on site on 6 and 7 June. If your child is interested in learning more about careers in Medicine and you believe we are not aware, please feel free to contact Mr Vvedenskiy directly at eve@draytonmanorhighschool.co.uk.

EXTERNAL APPOINTMENTS DURING SCHOOL TIME

A reminder that parents and carers should let the school know about their child's external appointments during school time in advance. This is important for the school to register their child's attendance accurately. You can send a message to us either via the MyEd app or via email studentabsence@draytonmanorhighschool.co.uk.

FOR ENRICHMENT ACTIVITIES FOR THE WEEK AHEAD, PLEASE CLICK [HERE](#)

GOVERNORS

From time to time, the school needs to appoint new Governors. It is helpful to keep a list of those who might be able to serve in this way. Therefore, if you think that at some point you or someone you know might be able to serve, and have relevant skills, experience or potential, please contact the Clerk to the Governors at the school, who will make arrangements to obtain relevant information the Governors require.

In making appointments, the Governors will have particular regard to the balance of skills and experience on the Governing Body at the time and their forthcoming activities. Therefore, those who might prove good governors might not necessarily be appointed at a particular time, but their details will be kept on file.
