

DRAYTON MANOR HIGH SCHOOL

WINTER PARTY

27 NOVEMBER 2019

Recently, Drayton Manor welcomed a number of senior citizens from the local community to its annual Winter Party. Students from all year groups volunteered to help ensuring that the evening ran smoothly. During the evening Year 7 students shared some winter poems which they had composed and there was also a performance by the Year 12 drama class. There were a number of Christmas musical performances at the event. These included the Pop Choir singing 'All I want for Christmas', Green Horns playing 'Jingle Bell Rock' and the Wind Band playing 'Twelve Days of Christmas'.

The Student Council served refreshments before joining our guests for the entertainment. Everyone left feeling ready for the festive season and we have received some lovely messages from those who attended.
