DRAYTON MANOR HIGH SCHOOL

WORLD BOOK DAY BOOK SWAP

THURSDAY 5 MARCH 2020

Drayton Manor celebrated World Book Day by organising its annual book swap in the Library. In the week leading up to the event, students and staff were encouraged to bring in books from home that they had read and enjoyed but no longer wanted to keep. For each book they brought in they were issued with a ticket, and on World Book Day they were able to exchange it for a book from the selection on offer.

There was a real buzz in the Library as students and staff talked about the books on display which ranged across a number of literary genres. For some it was too difficult to choose from such a fantastic array of titles but after taking time browsing, they made their decisions.

Students left the Library with new books in hand commenting on the fact that the World Book Day Book Swap had become a real highlight in their school year.
