

DRAYTON MANOR HIGH SCHOOL

YEAR 13 CHRISTMAS LUNCH

13 DECEMBER 2019

As this will be their last year at Drayton Manor, Year 13 students were treated to a festive feast in the Dining Hall which had been decorated beautifully. The students did not take long to pull the crackers which had been left on the tables. Before students tucked into their delicious lunch the year group were treated to a musical performance by Year 9 students, Rosabel Sajadi and Marwa Saffi who sang *Silent Night*.

It is a Drayton Manor tradition that the Year 12 students act as waiters for the day. The Year 13 students certainly remember this task from last year as they tucked into succulent turkey, accompanied by roast potatoes and a selection of vegetables. Afterwards there was a choice of fruit salad, mince pies or Christmas pudding for dessert.

Following the meal, separate speeches were delivered by Head Boy, Raman Mobasheri and Head Girl, Maryam Khan. Raman thanked the Year 13 tutors for their help with Personal Statements and the Year 13 students for all their hard work. Maryam gave thanks to Ms Mills, for the Christmas lunch and to Olive Dining for providing it for them.

Ms Mills then thanked the year group for being excellent role models before wishing everyone a very merry Christmas. It was a truly memorable day but emotional too as the students remembered that it would be their last Christmas at Drayton Manor High School.
